#### Ryan Hartfiel

Bio: My name is Ryan Hartfiel and I am involved in photography, research, and construction volunteering on campus here at Texas A&M. Outside of school I love music, video games, and being in nature.

#### Raul Basualdo

Howdy! My name is Raul Basualdo, I am an Environmental Design Major at Texas A&M University. I love to play guitar, and sketch as well as reading about architecture. I hope to get to know y'all through this class and hopefully help y'all polish your English!

#### Fatima Castro

Hello!

My name is Fatima Castro and I am from South Texas. I am in my sophomore year of Architecture at Texas A&M. Some of my interests include reading, volunteering, camping, and exercising. My hobbies include crafting jewelry, playing soccer, running, and drawing. I look forward to attending the English Program this Winter!

#### Azul Valencia

Hello, I'm Azul! In addition to being an Environmental Design student at Texas A&M, I am a musician who plays piano, flute, and viola. I really love video game music, and I enjoy transcribing VGM for piano. I also like to read, write, and make art, and I am a huge Ace Attorney and Demon Slayer fan. I look forward to working with you!

#### Atithi Shrestha

Hello,

My hobbies include hiking, traveling, painting, and trying new foods. I am interested in cultures all around the world and look forward to meeting new people this winter.

Teaching assistants of Texas A&M will support students communicating in English during the program. Enjoy and learn English!
